([PRWEB](#)) May 19, 2009 -- Multi-platinum entertainer T.I. and his Grand Hustle family were in Miami to celebrate on May 15th. It was a beautiful night for The Fete to The Future event that took place at a private estate on the exclusive Star Island, a small community off Miami Beach with homes owned by the biggest names in entertainment, including Rosie O'Donnell, Sean "P. Diddy" Combs and Gloria Estefan. The Event took place on the grounds of a multi-million dollar estate where only invited guests were permitted to access the island. An all-white theme dominated the event, including a range of all white and Miami-inspired décor and guests wore all white. Nearly 50 Bikini-clad models greeted the guests as they arrive at the estate and enter the poolside cocktail area. Cabanas on the immense lawn allowed guests to enjoy the view of the bay and Miami Beach. Warm colorful lighting lit up the entire mansion grounds.

One of the big highlights of the evening was when T.I. was presented with an incredible going away gift by [ItsHot.com](#).
